THE COUNCIL FOR TOBACCO RESEARCH – U.S.A., INC.

February 6, 1974

Grant application No. 958

CHRONIC PULMONARY DISEASE

To: The committee comprising Drs. Gardner, Liebow and Wyatt

Subject: D. Robert Webb, M.D., Virginia Mason Research Center, Seattle
New application No. 958
"Proteolysis in Chronic Obstructive Lung Disease"

History

This proposal was case #249. As the Executive Committee requested additional information, the best course seemed to be to allow a full application.

Request

Application #958 requests $27,372 plus two additional years.

Documents Submitted (attached)

1. Application dated January 7, 1974 (5 pages plus inserts).

2. Biographical sketches and bibliographies of Drs. Webb, Carroll and Morgan.

Comment

This proposal appears to be essentially a duplicate of one pending with the National Heart and Lung Institute.
